

REMARKS

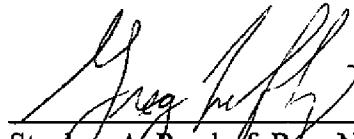

This Amendment is in response to the Office Action mailed March 11, 2008 (hereinafter Office Action). In the Office Action, claims 20, 22-30 and 32-40 were pending. Claims 30, 32-38 & 40 were allowed, while claims 20, 22-29 and 39 were rejected under 35 U.S.C. §102(b). By this Amendment, Applicants cancel claims 20, 22-29.

Although Applicants respectfully disagree with the rejections in the Office Action, Applicants nonetheless have cancelled claims in order to expedite prosecution of the present application to allowance. Applicants respectfully assert, however, that the claim cancellations are not intended as, and should not be interpreted as, the surrender of any subject matter. Applicants are not conceding by these cancellations that any previously submitted claims are unpatentable over the references of record. The claim cancellations are made only for purposes of facilitating expeditious prosecution of the present application to allowance. Accordingly, Applicant respectfully reserves the right to pursue any previously submitted claims in one or more continuation and/or divisional patent applications.

Conclusion

The application is believed to be in condition for immediate allowance. If any issues remain outstanding, Applicant invites the Examiner to call the undersigned Greg Lefkowitz at 561-671-3624 (direct line) if it is believed that a telephone interview would expedite the prosecution of the application to an allowance.

Respectfully submitted,
